American Olympic Team Selected

List of Athletes Chosen From a Thousand Entries-World ranged-Team Sails on Thursday.

New York, June 10,-The American | Hympic election committee, of which James E. Sullivan is chairman, spent the entire day in picking the athletes who will represent the United States in the Olympic games at Stockholm next month. A thousand entries were received from all over the country, and in every event only those who had shown the best performances were selected. In addition a supplementary list was arranged, but the men mentioned on it will have to pay their own expenses, while the picked men will have everything free for the entire trip. Several men on the preferred list are old timers at Clymple contests, but new wonders, like Wright of Darrimouth, in the pole vault; Horine of San Francisco, the high jumping marvel: Kawint of the Irish-American A. C., who amashed three world's records in the L500 metres run in the past two weeks: Kramer, the Long Island club's world's , champion distance and cross country runner, and young Drew, the negro sprinter, of Springfield, Mass, wha was practically unheard of until the eastern tryout at Cambridge last Saturday, are expected to make new Olympic records.

Among the western runners selected and the year before of being the champion and the year before of being the champion of the interest of being the champion and the year before of being the champion than the year before of being the champion of the horse of being the champion and the year before of being the champion than the year before of being the champion of the horse of being the champion and the year before of being the champion of the horse of being the champion than the year before of being the champion and the year before of being the champion than the lone history of being the champion and the year before of being the champion than the hemenway gymnasium he was the herem was gymnasium he was the herem way gymnasium he was the herem was gymnasium he was the herem way gymnasium he was the herem was gy shown the best performances were se-ected. In addition a supplementary ist was arranged, but the men men-

Among the western runners selected are Belote of Chicago, Craig of Detroit, Qourtney of Seattle, Gerhardt of San Francisco, and Wilson of Coc college, Iowa, in the sprints.

Lindberg of Chicago, who ran a great race last Saturday, Cook of Cleyeland, Davenport of the University of Michigan, are in for the 400 metres run with "McI" Sheppard.

The Jewett City team will play Sterling at Sterling Saturday.

FINANCIAL AND COMMERCIAL

Several Developments Combine to DICK BROS. & CO. Cause Apathetic Trading.

New York June 18 .- An unusual New York, June 18.—An unusual variety of incident and developments, only one of which namely, the government crop report, constitutes a factor of more than pussing importance, combined to provoke a very dull and perfunctory stock market session today. The United States Steel corporation played a conspicuous part in the affairs of the day by reason of the resumption of hearings. ason of the resumption of hearings the dissolution suit instituted by the overnment. There was also the pub-cation of steel "unfilled tonnage" for lay, which disclosed an increase of ally \$6,000 tons. To be sure, total usiness on hand at that period— 750,282 tons—made a record without parallel sincs December of 1202, but greater gain was expected in view of he known activity of operations in he second month of the second quar-

Dealings in Steel shares were nar-ow and nominal before the issuance of the May report, and continued so for the balance of the day. In that respect, however, Steel differed in no ssential particular from most other market favorites. Trading was withnish. In the early hours the move-nent was attended by uncertainty so ar as the active group was concerned. ose one to two points. During the fternoon the market lapsed from dullness into utter apathy until the final the United States supreme court, which was holding its final session

prior to the summer adjournment would not render a decizion in the ong deferred anthracite cases. Conurrent with this was the publication of the crop report, which revealed a urther serious damage to winter

All persons desiring or intending to use home for street, lawn, garden aprisking, or for any other purpose, during the season of 1912, must first obtain a written parmit from the office of any beard of Water Commissioners.

Any person using home without said written permit shall be fixed \$5. This rule will be strictly enforced.
